

All-Party Meeting Agenda:
Joint Application of Comcast Corporation, Time Warner Cable Inc., Charter Communications, Inc. and affiliates for Approval of Transfer of Control
(A.14-04-013 and A.14-06-012, consolidated)

April 14, 2015 | 1:00 p.m. to 5:00 p.m. | Carmel Room
Junipero Serra State Office Building, 320 West 4th Street, Los Angeles, CA 90013

5 minutes	Commissioner Opening Remarks	Each Commissioner will have a few minutes for opening comments.
120 minutes	Comments from the Public	Each member of the public will have 2-3 minutes to comment. (Time may be modified depending on the number of parties intending to speak.)
120 minutes	<p>Party responses to questions:</p> <ul style="list-style-type: none"> • Could you comment on what you think differentiates a public interest review of the merger from a California versus a national perspective? What are the differences and similarities? • Are there revised conditions that would make this merger meet the public interest requirement for California? If not, why not? • In the Joint Applicants' comments and reply comments, they make suggestions on conditions related to enforceability, practicality, and legality. What are parties' views or concerns regarding Joint Applicants' suggestions? • Parties have commented on the interpretation of Section 706 (47 U.S.C. Sec. 1302) and its relationship to SB1161 (CA Public Utilities Code Sec. 710). Please elaborate on your interpretation of the interaction between these two statutes? Does one restrict our jurisdiction to implement the other? If so, why and to what extent? Can these federal and state statutes be harmonized? • How does the FCC's Open Internet Order affect the analysis of the proposed licensed transfer? Does that Order provide sufficient protections? 	Each party will have 10 minutes total to answer the proposed questions. Time will be available following parties' responses for Commissioners to ask further clarifying questions.

	<ul style="list-style-type: none"> • If Time Warner carried content (such as a show) through its media, whether through cable or broadband services or stream, that Comcast did not carry, how does the merger affect the content market for both content suppliers and consumers? To what extent should this be a consideration in California's evaluation of the merger? • Are there other comments parties would like to briefly make?
